PROFILE

Full-stack web developer with expertise in the MERN stack and Django Python. Experienced in developing dynamic and responsive web applications. Passionate about creating intuitive and user-friendly interfaces.
Proficient in utilizing modern web development tools and frameworks to deliver high-quality solutions that meet client requirements and exceed expectations. Strong problem-solving skills and a keen eye for detail allow for the development of robust and efficient code.

EXPERIENCE

Web Development Experience

- Learned web development skills and applied them to create various user-friendly and responsive projects with backend and database functionalities.
- Utilized Express.js for authentication using JWT tokens, salt, and hashing, ensuring secure user authentication.
- Implemented Django models and SQLite for dynamic and nested projects, enabling efficient data management and retrieval.

EDUCATION

Bachelor of Computer Application   2022 – 2025
Tilka Manjhi Bhagalpur University
TNB College

Intermediate (Science-Mathematics)   2020 – 2022
Manavbharti National School
Primary Education
Daffodil Convent School   *2020*
